

As we grow up, we learn that, even the one person that wasn't supposed to ever let us down, probably will.

You will have your heart broken probably more than once and it may get harder every time.

You'll break hearts, too, so remember how it felt when yours was broken.

You'll fight with your best friend. You'll blame a new love for things an old one did. You'll cry because time is passing too fast. You'll eventually lose someone you love.

So, take too many pictures, laugh too much, and love like you've never been hurt, because... every sixty seconds you spend upset is a minute of happiness you'll never get back.

Don't be afraid that your life will end, be afraid that it will never begin!
