

***Read and think!***

The best kind of friend is the kind you can sit on a porch and swing with, never say a word, & walk away feeling it was the best conversation you have ever had.

It is true that we do not know what we have until we lose it. **BUT**... it is also true that we do not know what we have been missing...until it arrives.

Giving someone all your love never has an assurance that they will love you back! Do not expect love in return; just wait for it to grow in the other's heart. If it does not, be content that it grew in yours.

It takes only a minute to get a crush on someone, an hour to like someone, and a day to love someone.

**BUT**... it takes an entire lifetime to forget someone.

Don't go for 'looks;' they can deceive. Don't go for wealth; even that fades. Go for the one who makes you smile, because it takes only a smile to make a dark day seem bright. (Find the one that makes your heart smile!)

May you have: enough happiness to make you sweet, enough trials to make you strong, enough sorrow to keep you human, enough hope to make you happy.

Always put yourself in the other's shoes. If you feel that it hurts you, it probably hurts the other, too.

The happiest of people do not necessarily have the best of everything; they just make the most of everything they have.

Happiness waits for those who cry, those who hurt, those who have searched, and those who have tried, --for only they can appreciate the importance of the people who have touched their lives.

When you were born, you were crying and everyone around you was smiling. Live your life so that when you die, you are the one who is smiling and everyone around you is crying.

*Sincerely and in Him, ...a friend.*
